

# ExactApply™ Survival Kit

Additional Parts and Supplies that we suggest you carry with you to maintain your ExactApply™ system. (updated 1/13/2021)

## Seals

- Turret Seals
  - Part Number AKK24868
- Cartridge Seal
  - Part Number AKK28954

## Nozzle Body

- We recommend that you carry an additional Nozzle body in your machine.
- When buying a new nozzle body be sure that the correct software is loaded onto it.
- The AKK33737 nozzle bodies are now preprogrammed from John Deere since the fall of 2020.
  - Part Number AKK33737

## Cartridges

- The maintenance kit included with your ExactApply™ Machine includes two additional cartridges.
- Be sure to replace them as you use them in the kit so that you always have a spare on hand.
  - Part Number AKK34706

## Additional Supplies

- Simple Green or another cleaner to clean the nozzle body prior to disassembly.
- John Deere Electric Connection Cleaner TY26632
